SECTION 16015TELEPHONE SERVICEPART 1 - GENERAL

1.01 Description:

- A. The SUBCONTRACTOR shall be responsible for connection of a single-service flat rate telephone service to the site trailer (trailer delivery arranged by others). The telephone service shall be installed in the same name as specified under the electrical specifications. (Refer to ADDENDUM No. 1 to the Contract Documents.)

PART 2 - PRODUCTS

2.01 Materials:

- A. All materials necessary to connect telephone service to the trailer. All materials shall meet the requirements of the utility, and state and local codes.
- B. Telephone receiver set will be provided by the PRIME CONTRACTOR.

PART 3 - EXECUTION

3.01 Performance:

- A. The work shall be performed in a manner which will provide operable telephone service to the trailer by connecting to existing service in the trailer.
- B. Work shall conform to the standards of the telephone utility, and state and local codes.
- C. Fees incurred related to the installation and inspection of this work will be borne by the SUBCONTRACTOR.
